## DURAPOST STEEL FENCE POST SYSTEM

# DuraPost<sup>®</sup>

BY BIRKDALE

DuraPost is a great alternative to a timber or concrete fence posts. Built from galvanised steel, it's lighter while offering both durability and strength.

Provides a stylish, secure and strong framework designed to work with panels and boarding. DuraPost has been durability tested to EN 1794-1-2018 with wind speeds of up to 110mph (static load tested to 625kg).

Up to 25 Year Guarantee.

## BUILT TO LAST

DuraPosts are so easy to handle, with pre-drilled holes, they can be easily installed by one person

DuraPost can be used to create:

- Closed board fencing
- Panel Fencing
- Hit & Miss Fencing
- Composite Board Panels

DuraPost supports the installation of our Composite cladding boards (as fencing panels on pg. 24-27.)

Available at selected branches.

Designed by industry experts and trusted by homeowners and professionals.

DuraPost is available in 4 colours.

DECKING

## REDUX DECKING

# Redux™

DECKING EVOLVED

The result of many years of research and development to create a deck board that truly replicates natural timber, Redux™ has been cast from aged American Red Oak timbers and is hand finished in five naturally aesthetic colourways.

Redux™ is produced using over 50 metres of unique woodgrain which provides an ultra realistic timber appearance, this results in over 20 Redux™ board variations.

*Luxury* solid board  
**Composite Decking**  
with an ultra-realistic  
woodgrain.

HD DECK® pro

A Composite Prime Product

## HD DECK® PRO PREMIUM EXTRA-WIDE COMPOSITE DECKING

Size: 22.5 x 200 x 3600mm

HD Deck® Pro is a premium extra-wide composite decking board, featuring a traditional wood grain that will add quality and style to any outdoor living space.

With its 'capped' design, creating a protective layer that offers maximum protection against stains and the elements for an extra long life.

The deck board offers the same features and benefits as the other HD Deck ranges, but is dual sided, with two designer colours to choose from: oyster and champagne.

# HD DECK® DUAL COMPOSITE DECKING

Deck Board Size: 22.5 x 143 x 3600mm

HD Deck Dual is a wood-grain composite decking system with a reversible two-colour option, providing the opportunity to lay a deck with contrasting colours to create a bespoke finish.

With an unrivalled likeness to timber, the natural wood grain not only looks and feels great, it also offers maximum performance against stains.

## AVAILABLE IN 6 COLOURS:

• Natural Stone • Slate • Oak • Walnut • Carbon • Antique

# QUALITY & DURABILITY INCISED TIMBER

- Our range of posts and sleepers gives added confidence to your fencing and landscaping project.
- Our posts are treated to Use Class 4 as recommended for ground contact applications.
- Our posts are incised prior to preservative treatment, which means we add small, uniform incisions into the post. This allows the treatment to penetrate the post and protect it against rot, making it suitable for ground contact. If the posts are not incised they will not last as long, affecting their durability.

# DECK JOISTS

Our incised Deck Joists are treated to Use Class 4 as recommended by the Timber Decking and Cladding Association, for quality and durability to give them an extended life.

Width/Depth	Lengths
47 x 100mm (44 x 97)	3.6m, 4.8m
47 x 150mm (44 x 145)	3.6m, 4.8m

## Incised Fence Posts

The following core range of Incised fence posts is available either green or brown pressure treated.

WIDTH/DEPTH	LENGTHS
75mm x 75mm	1.5m, 1.8m, 2.1m, 2.4m, 2.7m, 3.0m
75mm x 100mm	2.4m
100mm x 100mm	1.8m, 2.1m, 2.4m, 2.7m, 3.0m

(Other specifications are available on request.)

## Rails, Slats, Ranch & Gravel Boards, Featheredge Boards

Available either green or brown pressure treated.

## Cut & Treat

Every time pressure preservative treated timber is cut or notched during installation, the exposed surfaces must be further protected with an appropriate brush-on end grain preservative to maintain the integrity of the performance and the conditions of the warranty.

## Incised Sleepers

Incised landscaping sleepers are available to order in the following sections.

WIDTH/DEPTH	LENGTHS
100mm x 200mm	1.2m, 2.4m, 3.0m
125mm x 250mm	2.4m

(Other specifications are available on request.)
