◀ Intelligently conceived and quality built solutions created for the way you live your life

# Kensington

made to measure

Who said you can't have beauty and brains?

Intelligent storage solutions designed to maximise space and create effortless order lie at the heart of the Kensington range.

Whether you long for understated elegance or sumptuous luxury, the Kensington range of steel framed mirrors and decorative sliding solid doors can be tailored to suit your exact requirements.

Design the bedroom you've always dreamt of with a superb range of frame finishes, such as our stunning chrome effect, warm wood grain and scratch resistant vinyl or paint.

Create the illusion of greater space with the addition of mirror panels that can be tinted to add warmth and subtle colour to your bedroom ambiance, or diamond cut to add an air of refined elegance. Add a solid door panel to blend with your bedroom furniture to create a fully integrated design statement.

And with a comprehensive range of interior components to help you organise your clothes and personal items, you can say goodbye to cluttered and chaotic cupboards for ever.

RANGE OF  
OUR FLEXIBLE  
OPTIONS

▲ Silver aluminium frame with left hand door including stone grey with 10mm diamond cut lines also displaying a grey mirror and silver mirror door

WHO WAS IT THAT SAID TO HAVE A TOUCH OF LUXURY COSTS A FORTUNE? NOT WITH THE GEMINI RANGE. THIS UNDERSTATED SYSTEM ADDS A SENSE OF WELL-BEING TO ANY SPACE.

This range helps create a harmonious space which will elegantly and subtly combine all the functional aspects of any room whilst at the same time providing an area of comfort and well being.

From a wardrobe to a room divider, Gemini is simplistically designed to lend itself to any application so that minimalism can be achieved without compromising on those key features.

▲ Bronze frame with vinyl transfer on clear toughened glass

The choice of striking Silver Anodised and beautiful colour tones ensures that this system will always have a sophisticated appearance. Frame colours to suit traditional or contemporary taste means that you don't have to change yours.

▲ Silver aluminium frame with mid-rails and cherry red glass top and bottom panels with soft white glass in the centre

## KEY INFORMATION

- ▶ Mid-range
- ▶ Aluminium profiles with various finishes in each system
- ▶ Can also be used as room dividers
- ▶ Soft closing option available

## PROFILE

# NUEVO

## DEFINED DESIGN

**THE BEDROOM SAYS A LOT ABOUT YOUR HOME WHICH IS WHY DESIGN IS SO IMPORTANT.**

With its sharply defined frame and eclectic selection of coloured and textured finishes, this range is the ultimate in chic.

Inspired by contemporary trends for sleek lines and shared with an audaciously bold silhouette, the Nuevo's intentions are to make a loud style statement which won't fail to exceed expectations.

Added to the mix are a variety of wonderfully 'unique' idiosyncratic glass and decor panels, which lend a hand in embracing the cutting edge design, collectively bringing the system to life.

# raumplus®

## STYLISH PRACTICALITY

Flexible, innovative and supremely attractive. Bring interior spaces to life with Raumplus, so you can live your life effortlessly.

From open spaces to tight corners and sloping ceilings, the Raumplus system brings you the freedom to optimise interior spaces, whether at home or in your workplace. Single, double or triple track aluminium framed sliding doors give optimum flexibility, restrictors allow doors to be partially and fully opened.

From the kitchen to the bedroom, Raumplus enables you to combine functionality with your own unique personality in every room of your home. Selecting from an extensive range of door styles, décor panels and door options, it's easy to revitalise an unusable corner or elegantly divide a room to create dual environments with the minimum of fuss.

Combine beautiful wood finishes with coolly stylish sandblasted glass panels or vibrant coloured glass feature panels for drama and impact. Let yourself go, the only limit is your imagination...

Silver aluminium frame with a bespoke vinyl applied to boards

Silver aluminium frame with bespoke designed glass

# DELANO

ELEGANT FUNCTIONALITY

The ethos behind Delano is simple. Functional, beautifully crafted hinged doors and drawer fronts that bring colour, light and form to the fore in your home.

A beautifully crafted aluminium profile combined with a wide selection of stunning glass colours and finishes, Delano adds beauty to even the most challenging spaces.

Whether you want to make a bold statement with our standard 15mm lipped profile or prefer to blend into the background with the slim-line minimalist frame, this range offers a modern and fresh alternative to traditional hinged doors and drawer fronts.

Add an extra element of finesse with Blum 'Tip-on' technology, the added touch to give that ultimate handle-less furniture look.

## KEY INFORMATION

- > 50mm aluminium hinged profile system
- > Soft closing hinges as standard
- > Perfect for any storage around the home
- > Drawer fronts available to match
